“SAFE BOAT IDEA, PART2, VERSION 2”

BY N.TORRES

THERE'S BEEN A LOT OF NONSENSE ABOUT METEORS HITTING THE EARTH ON SOCIAL MEDIA AND ON INTERNET WEBSITES. MANY PEOPLE CALL THEM “EXTINCTION EVENTS” AS IF THEY ARE ABSOLUTELY CERTAIN MANKIND IS DOOMED. IT GOT ME THINKING. MANY SAY HEY YOU'RE GOING TO DIE BUT NONE OF THEM OFFER ANY POSSIBLE PRACTICAL WAY TO STAY ALIVE. THEIR WORDS ARE FILLED WITH HOPELESSNESS WITH NOT EVEN A DROP OF WHAT CAN BE DONE TO PUSH BACK AGAINST DEATH. THERE'S NOT EVEN A SNOWBALL'S CHANCE IN HELL WHEN IT COMES TO MANY RELIGIOUS SPEAKERS ON THIS SUBJECT. YOU'RE GOING TO DIE, SO ACCEPT YOUR FATE. YOU CAN STICK YOUR HEAD BETWEEN YOUR LEGS AND KISS YOUR ASS GOODBYE. WELL, GOD GAVE ME A MIND SO I COULD THINK AND REASON THINGS OUT. BEING SOMETHING OF A HALF-ASS PUZZLE SOLVING KIND OF PERSON I CAME UP WITH THIS CRAZY IDEA. IT'S NOT MUCH BUT IN A CRUNCH IT MIGHT HELP SOMEBODY, WHETHER YOU ARE AN ATHEIST OR RELIGIOUS, IT MATTERS NOT. THIS IDEA IS FOR EVERYBODY. I HAVE PLACED SEVERAL IMAGES HERE TO GIVE A BETTER IDEA OF THIS CRAZY PLAN. MAYBE SOMEONE OUT THERE CAN EVEN IMPROVE ON IT, EVEN MAKE ONE FOR A GROUP OF PEOPLE.

“A WISE MAN SEES TROUBLE COMING AND HE MAKES PLANS.” THIS IS RIGHT FROM THE BIBLE, SO YOU RELIGIOUS PEOPLE OUT THERE SHOULD NOT THINK THIS IS IN ANY WAY AGAINST GOD TO PREPARE TO SAVE YOUR LIFE IN THIS MANNER. IF YOU DO THINK THIS IS WRONG THERE IS SOMETHING SERIOUSLY WRONG WITH YOU.

IF THERE *IS* SOMETHING OUT THERE THAT'S GOING TO HIT US, AND THE SCRIPTURES DO SPEAK OF A STAR CALLED WORMWOOD. SORRY BUT THE WORMWOOD IMPACT KILLS PEOPLE BECAUSE THEY DRINK WATER POISONED BY THAT STAR, NOT NECESSARILY BECAUSE OF ITS IMPACT, THOUGH THE BOOK DOES NOT TELL US IF IT STRIKES LAND OR WATER OR EXPLODES WHEN IT HITS THE ATMOSPHERE. UNKNOWN. I CAN'T HELP YOU WITH POISON. THERE WILL BE OTHER STARS THAT HIT EARTH, AND THESE MIGHT CAUSE TSUNAMIS, TIDAL WAVES. I SUGGEST YOU SAY A PRAYER OF SAFE PASSAGE BECAUSE IT COULDN'T HURT.

IMAGE # 1:

THE BOTTOM OF THE BOAT.

TO TEST MY IDEA AND DISCERN ITS PRACTICAL VALUE, I CONSTRUCTED A SAFE-BOAT USING A STORAGE CONTAINER. I USED DUCT TAPE TO HOLD ITS LID TO THE AIR TANK AS IN CALL IT. YOU WILL SEE I DIDN'T USE MUCH DUCT TAPE BECAUSE I DIDN'T HAVE ENOUGH TAPE TO SEAL IT AS BEST I COULD. YOU GET THE IDEA. THE MORE TAPE THE BETTER. INSIDE THE AIR TANK I TAPED TOGETHER NUMEROUS EMPTY SODA OR WATER BOTTLES. THESE ARE THERE JUST IN CASE THE OUTER AIR TANK GETS IMPACTED AND BREAKS AND YOU MUST BREATH AIR. YOU CAN UNSCREW THE BOTTLES AND BREATH WHAT'S INSIDE. GOOD LUCK FINDING A WAY TO REACH THEM. THE HOLE IN THE LID IS OF COURSE FOR YOUR HEAD. I PUT DUCT TAPE AROUND THE MOUTH OF THE HOLE TO KEEP THE PLASTIC FROM CUTTING THE NECK DURING ANY IMPACT OR MOVEMENT. WE DON'T WANT ANY SEVERED ARTERIES MID JOURNEY. IT'S GOING TO BE A VERY BUMPY RIDE. TAPING DUCT TAPE TO THE SIDES OF THE AIR TANK MIGHT HELP WITH IMPACTS. LIKE AN EX PLACED ON A STOREFRONT WINDOW BEFORE A HURRICANE I PLACED A SINGLE EX ON THE TOP OF THE AIR TANK AS SEEN IN IMAGE 2.

IMAGE # 2:

THE INSIDE OF THE SAFE BOAT.

YOU CAN SEE THE DUCT TAPE EX, AS WELL AS THE BOTTLES ALL TAPED TO ONE ANOTHER IN A CIRCLE AROUND THE INSIDE OF THE BOAT WITH ENOUGH SPACE FOR YOUR HEAD. THIS BOTTLE-BELT MIGHT ALSO SERVE AS A LIFE PRESERVER IF AND WHEN YOU REACH THE SURFACE. I HOPE THERE IS ENOUGH AIR AND TIME FOR YOU TO GET TO THE SURFACE. ALL OF THIS IS OF COURSE AN UNTESTED, DESPERATE IDEA FOR WHICH I CAN SEE NO OTHER MORE SIMPLER CHEAPER SOLUTION. ASIDE FROM BUILDING SOMETHING EXPENSIVE THAT UTILIZES SWIMMING GEAR AND PROFESSIONAL OXYGEN TANKS, THIS IS ALL MANY PEOPLE WILL BE ABLE TO AFFORD, THIS IS THE POOR MAN'S SAFE-BOAT. AND IT TAKES ONLY THINGS FOUND AROUND THE HOUSE, OR THINGS YOU CAN OBTAIN EASILY FROM ANY STORE OR SUPERMARKET. AND YOU'VE BEEN THROWING THESE THINGS AWAY FOR YEARS.

FINALLY THERE IS THE ESCAPE EXIT. MINE IS JUST A SINGLE WINDOW FACING AN ALLEY. THIS IS THE HARDEST PART, FINDING THE RIGHT PLACE TO MAKE YOUR EXIT. SHOULD YOUR BUILDING COLLAPSE, WELL I CAN'T HELP YOU WITH THAT. STUDYING YOUR EXIT AND MAKING A PLAN CAN HELP YOUR ESCAPE SUCCEED. IMAGINE TONS OF WATER OUTSIDE YOUR EXIT FLOWING PAST. IMAGINE DEBRIS AND EVEN DEAD BODIES THAT MIGHT IMPACT YOU AND YOUR BOAT. IMAGINE BEING THROWN INTO SHARP OBJECTS THAT COULD CUT YOU. PLAN AS BEST YOU CAN. NOW IMAGINE WATER RUSHING INTO YOUR DOMAIN LIKE SOME HOLLYWOOD MOVIE, FROM ABOVE AND BELOW, THROUGH CRACKS IN THE WALLS, ETC. HOW DO YOU GET TO THE EXIT WITH A SAFE BOAT THAT IS FILLED WITH AIR AND WANTS NOTHING MORE THAN TO PULL YOU UPWARDS? YOU MIGHT HAVE TO WEIGH IT DOWN SOMEHOW SO IT WILL GO WITH YOU WHEREVER YOU NEED TO GO IN ORDER TO GET OUT THROUGH THE EXIT INTO THE WATER OUTSIDE SO YOU CAN MOVE UPWARDS. I

HAVE NO CLEAR IDEAS ON HOW WEIGH THE BOAT DOWN, SORRY, WEIGHING YOUR OWN SELF DOWN WILL NOT REALLY DO THE TRICK. PUTTING WEIGHTS ON YOUR FEET FOR EXAMPLE WILL NOT CAUSE THE BOAT ITSELF TO JOIN YOU AT MOVING DOWNWARDS. YOU MIGHT CHOKE YOURSELF TO DEATH BEFORE YOU EVEN GET STARTED. BE LOGICAL AND PRACTICAL ABOUT YOUR PLAN OF ESCAPE.

I'VE WRITTEN ABOUT THIS IDEA BEFORE. BUT I HAVE NEVER SHOWN PHOTOS OF MY BOAT. SOMEONE SAW IT IN MY HOME AND LOOKED VERY CONFUSED. HE DIDN'T ASK WHAT IT WAS AND I DIDN'T OFFER ANY EXPLANATION. HEY, MY BOAT MY BUSINESS. I WISH HE HAD ASKED SO I WOULD HAVE BEEN INCLINED TO EXPLAIN THE CRAZINESS OF WHAT HE WAS LOOKING AT. MAYBE A SIGN THAT READ "END OF THE WORLD SAFE-BOAT" WOULD HAVE BEEN NICE.

SO IF THE IDIOTS START TALKING END OF THE WORLD SCENARIOS DON'T BELIEVE MUCH OF IT. IF SOMETHING BIG IS GOING TO HAPPEN CHANCES ARE THEY WILL TELL US TO RUN TO HIGHER GROUND. AT LEAST I HOPE THEY ARE KIND ENOUGH TO DO THAT. BUT YOU NEVER KNOW. IN THE WORST CASE SCENARIO WE WILL ONLY LEARN SOMETHING IS GOING TO HIT ONLY MINUTES BEFORE IT HITS AND GOODBYE MUCHACHOS IT WAS NICE KNOWING YOU! IN THIS CASE YOUR SAFE-BOAT WILL BE READY ON YOUR SHELF. YOU PUT ON SOME QUICK PROTECTIVE CLOTHING, WITH PLENTY OF POCKETS THAT HAVE FOOD PACKETS STUFFED IN THEM. A WATER BOTTLE. A FLASHLIGHT WRAPPED IN A SANDWICH BAG TO SUMMON RESCUE BOATS. AND HOPE YOU DON'T FREEZE TO DEATH WHEN YOU GET TOPSIDE. LIKE IN THE MOVIE TITANIC, YOU KNOW? A WET SUIT MIGHT HELP?

IF YOU FAIL TO REACH THE SURFACE DON'T SUE ME. IF YOU DO REACH THE SURFACE, SAY A PRAYER OF THANKS TO GOD. IF YOU MEET PIRATES ON THE SURFACE AND THEY TAKE YOU TO SELL YOU INTO SLAVERY. DON'T BLAME ME YOUR LIFE WAS SAVED AND YOU FELL OUT OF THE FRYING PAN AND INTO THE FIRE, YOU LEARNED HOBBIT.

ACCORDING TO A QUICK GOOGLE SEARCH IT TAKES ABOUT THREE MINUTES FOR A PERSON TO DIE FROM ASPHYXIATION. SO YOU HAVE TO PLAN TO BREATHE A LOT LONGER THAN THAT, OBVIOUSLY. HOW LONG YOUR UNDERWATER JOURNEY WILL TAKE IS ANYONE'S GUESS, NO ONE KNOWS HOW HIGH THE WATER WILL BE ABOVE YOUR HEAD. LOOK INTO ASCENDING DIVING PROTOCOLS FOR ANY SOLUTIONS AS TO WHAT CAN HAPPEN IF YOU ASCEND TOO QUICKLY FROM THE DEEP. THERE MAY BE SOME SPECIAL BREATHING INVOLVED; UNKNOWN TO ME AT THIS TIME.

WHEN YOU LEAVE YOUR ABODE THE BOAT WILL BE IN CONTROL, AND YOU WILL GO WHERE THE CURRENT WANTS YOU TO GO. THE GOING AVERAGE MAXIMUM RATE OF ASCENT (ACCORDING TO QUICK WEB RESEARCH) FOR A DIVER IS 30 FEET PER MINUTE. YOU MUST MAKE THE BEST CALCULATIONS YOU CAN BASED ON YOUR OWN INFORMATION FOR YOUR OWN PEACE OF MIND AND SELF-CONFIDENCE. I CAN GIVE YOU NO MORE THAN WHAT I HAVE OFFERED HERE, WHICH IS A CHANCE TO STAY ALIVE WHICH IS FAR BETTER THAN WHAT MANY OTHERS ARE OFFERING. REMEMBER THIS IS ALL THEORY AND SPECULATION. BUT I THINK IT'S A WORTHY IDEA.

I HAVE WRITTEN THIS INFO FOR ANYONE AND EVERYONE. NONE ARE EXCLUDED. RELIGIOUS OR NOT. THIS INFORMATION IS MADE AVAILABLE FOR FREE AND IT SHOULD NOT BE SOLD TO ANYONE FOR ANY REASON FOR MONETARY GAIN BY ANYONE OR ANY DAMNED ORGANIZATION WHATSOEVER. LET THE GREED-HEADS SELL THEIR SOLUTIONS AND BOOKS, MINE IS FREE BECAUSE DEATH IS FREE, AND IS

NOT REALLY AS EXPENSIVE AS WE'VE OFTEN BEEN TOLD.. THIS IS FOR THE LIVING NOT THE DEAD. DON'T ASK ME WHAT THIS MEANS, IT JUST SOUNDED GOOD.

BAD SELFIE OF ME NOT DROWNING
(I don't think I have ever taken a good picture)

I reserve the right to answer or not to answer any and all emails. IF YOU ARE GOING TO WRITE, MAKE IT IMPORTANT OR DON'T WRITE AT ALL.

P.S I HOPE YOU GUYS MAKE VIDEOS ON BUILDING YOUR OWN SAFE-BOATS. YOU DON'T HAVE TO GIVE ME ANY CREDIT. THIS IDEA IS FOR EVERYONE'S BENEFIT.
